LB 669

LR 27

SENATOR LAMB: Mr. President and members, this is in regard to the rereferencing of those telephone bills and if you listened closely this morning, you would have heard the Clerk read in the new reference report. The Reference Committee met earlier this morning and did rerefer those bills to the Transportation Committee. I appreciate that and so my motion now will be unnecessary, therefore, I withdraw the motion.

PRESIDENT: It is withdrawn. Move on to Senator Chambers' motion to withdraw.

CLERK: Mr. President, Senator Chambers would move to withdraw LB 669. That motion is on page 398 of the Journal.

PRESIDENT: Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, a bill very similar, if not exactly like this, has already been offered by Senator Wesely and Senator Johnson. So rather than have two bills the same being printed and heard, I am just going to withdraw mine, so I am asking that the body vote to do this.

PRESIDENT: You have heard the motion. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 31 ayes, 0 nays, Mr. President, on the motion to withdraw the bill.

PRESIDENT: LB 669 is withdrawn. Move on to resolution number, LR 27.

CLERK: Mr. President, LR 27 was a resolution introduced by Senators Landis, Marsh, Coordsen, Nelson, Ashford, Smith and Elmer. It is found on page 401 of the Journal. (Read resolution.)

PRESIDENT: Senator Landis, were you going to handle that? Okay.

Should we promote this goal through a federal statute? And the body decided the other day that the form that the question originally came to us in, that of a constitutional
